

# Company Overview

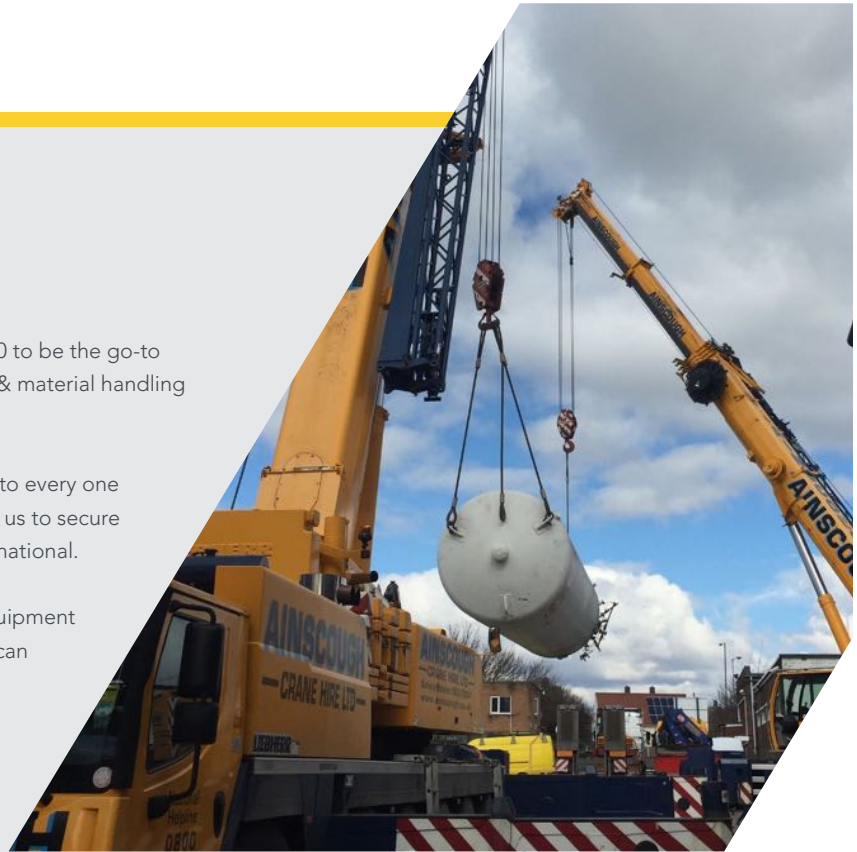

**TEESSIDE  
ENGINEERING  
& PLANT SERVICES**

# Introduction:

Teesside Engineering & Plant Services was founded in 2020 to be the go-to specialist company in the hire, sale and servicing of lifting & material handling equipment. We're sure you'll agree once you've tried us!

We are committed to providing the best customer service to every one of our customers. Our customer-focused approach has led us to secure contracts with companies, both large and small, local and national.

Through our network of highly trained, specialist lifting equipment engineers based through the North East of England, we can keep your goods and business moving. We also offer fully managed maintenance programmes, including scheduled annual statutory testing to give business owners peace of mind that they remain compliant with current UK legislation at all times.

## Our Clients:

## Our Values:

### HEALTH & SAFETY

At TEPS we ensure that the Health & Safety of both our staff, your staff and the general public comes above all else.

### QUALITY

We deliver a high-quality professional service in every project we undertake ensuring that the project is delivered on time and budget.

### INTEGRITY

We stick to our word and will always do what's right over what's easy. Remaining truthful and honest in everything that we do.

### MOTIVATION

We are always inspiring each other to be the best we can be and deliver for our clients.

**Expertise you can trust.**

## Our Philosophy

We believe in fulfilling our clients' needs by offering quality, cost effective solutions with the very best standard of service.

We work closely with our clients to fully understand their technical requirements and be able to provide solutions that adhere to our own strict quality standards.

## Our Community:

We know that charities do important work, often on a tight budget. That's why we offer heavily discounted rates to those who, like us, are committed to their local community.

We are proud to be Official Club Wear Sponsors of Billingham Town U23's for the 2020/2021 season.
